

DV8 ENTRY LEVEL SPECS

MISFIT

Finished with a High Gloss Polish, the Misfit skids very easily through the front part of the lane to the breakpoint before changing directions for a strong continuous backend that cuts through the pins on medium dry to medium oily lane conditions. Not fitting in has never been so fitting.

ZOMBIE SPARE

Leave a few pins standing? Pull out your Zombie. Unlike the human undead this Zombie is easy to control. With trance like motion the Zombie heads straight towards any uncooperative pins and puts them down for good and when it's done it comes right back to you. How many other Zombies do you know that will do that?
